+	1	⚙️ The Greater Lake Cha The Greater Lake Charles area includes the following parishes:	Q X 5 
+	2	⚙️ The city of Lake Cha The city of Lake Charles has a population of approximately 80,000	Q X 5 
+	3	⚙️ Parish Seats Match the following parishes with their parish seat	Q X 5 
+	4	⚙️ Which of the followi Which of the following is a suburb of Lake Charles?	Q X 5 
		Add ▾	

- After selecting “Add”, one has the option to manually type a question, select one from a question bank or add a random question.

NOTE: It is recommended that instructors have question banks to choose from or manually add a question. When one adds a random question, Moodle may or may not recognize the question if that question is not located in any of your question banks.

Choose a question type to add

QUESTIONS

☐ $\frac{2+2}{=?}$ Calculated
