

# View Students Grades in a Course

Last Modified on 08/20/2020 10:11 pm EDT

1. [Open Gradebook setup](#)
2. Select "View" tab > Grader Report tab (See image below).
3. You can view the grades for students in the class.

## Grader report

---

View	Setup	Scales	Outcomes	Letters	Import	Export
------	-------	--------	----------	---------	--------	--------

---

Course Grade Breakdown	Grader report	Grade history	Outcomes report	Overview report	Quick edit	Single view	User report
------------------------	---------------	---------------	-----------------	-----------------	------------	-------------	-------------
