# Creating a TurnitIn assignment in Moodle

1. Enter the homepage of your course

2. Select "Turn Editing On"

3. Scroll to the desired course Module

4. Click on "Add an activity or resource"

5. From the Activities and Resources menu select "Turnitin Assignment 2"

6. Select "Add"

7. You should now be able to make the modification to the settings that you wish

8. Once modifications are made, you may save

9. Assignment should now be in your course.
