

Extend access to course for students with incomplete "I" grade

Last Modified on 11/15/2018 3:33 pm EST

Instructors have the option to grant special access to a course for students who have a grade of "I".

1. Leave course open
2. Ensure that assignments and quizzes are closed
3. Select assignment(s)/quiz(zes) needed to be completed by student(s)
4. In the Administration block, select "User Overrides"

5. Add user Override
6. Select the student(s) that you wish to give overrides.

Add user override

7. Save
