

Add a new discussion forum in Moodle

Last Modified on 11/16/2018 11:01 am EST

As an instructor or student, you have the option to add a new discussion topic to a forum. Click the Forum in the course and once on the forum page, you may add a new discussion topic.

F1!

In this forum you are going to discuss vacation ideas and recommendations.

Add a new discussion topic

Discussion	Started by	Replies	Last post (1/1)
FLORIDA		0	Wed, 10 Oct 2018, 10:05 AM

By clicking on the forum Discussion title “FLORIDA” above, you may read what an individual has typed thus far and reply as needed.

NOTE: Only the instructor may edit the original post after a certain period. However, students have the option to reply.
