Access library resources off-campus

Faculty, staff and students trying to access library databases and ebooks off campus, will be prompted to login using their User ID and PIN. Your user ID is your Banner number with '01' added on the end.

Your PIN is generated by the library through an internal automated process. Please contact the library at 337-475-5725 to obtain your PIN.

You can also obtain your PIN by clicking: <http://library.mcneese.edu/> then click on "Review My Account" under Help. Follow the instructions to reset your PIN.

If you are having difficulty, please contact the library at 337-475-5725 for assistance.
