

# Free trial of Harvard Business Review Press eBook Collection via EBSCOhost

Last Modified on 04/09/2020 9:33 am EDT

Feeling a bit down from quarantine? McNeese Frazar Memorial has you covered with a new Frazar Memorial Library Service

Frazar Memorial Library is now offering a free trial of Harvard Business Review Press eBook Collection via EBSCOhost. The collection consists of 600 full-text ebooks on subjects including business communication, career development, decision-making and problem-solving, economics, entrepreneurship, finance, human resources and personnel management, leadership and management, marketing, organizational behavior, personal success, skill development, and strategic planning.

However, this engaging opportunity is only available for a short time. The trial ends May 31, 2020.

Click <http://libguides.mcneese.edu/databases> if you are inclined.

Please log in via the entry link on the library's "Databases" page.
