

Add Respondus Monitoring and Lockdown Browser to an exam in Moodle

Last Modified on 04/25/2020 6:12 pm EDT

Once you have these settings selected for your course, use the following articles to select settings if you will be using in the Respondus Lockdown Browser. If needed, not forget to add the "Respondus Lockdown Browser" Block to your Moodle dashboard.

[Quick Start Guide Respondus Lockdown Browser and Respondus Monitor \(PDF\)](#)
