

Configuring a Breakout Room in BigBlueButton

Last Modified on 05/13/2020 1:23 pm EDT

Configure Breakout Rooms

When you choose “Breakout Rooms ...” the following dialog box appears.

Breakout Rooms

Tip: you can drag-and-drop users between rooms before you click 'Start'

Rooms **2 Rooms** (1)

Time Limit **15** Minutes (2)

Record ☐ (3)

Breakout Room 1 (4)	Breakout Room 2	Not Assigned (5)
student2 student3	student1 student4	Teacher

Start Close

The Breakout Room dialog enables the instructor to specify

1. the number of breakout rooms: 2,3,4, or 5

2. time limit
 3. enable/disable recording
 4. drag and drop users between rooms
 5. which users should not be placed into breakout room (the “Not Assigned” room)
