Create and Organize Items and Categorizes in Gradebook

Last Modified on 08/21/2020 1:35 am EDT

The Gradebook Setup is used to rearrange grade items, add columns and categories, and customize how students' grades are calculated. The page displays settings for all grade items in a table.

Add a Grade Item Column to Gradebook

Manually Add a Grade Item Column to Gradebook

Add Extra Credit Item to Gradebook

Add a Grade Category to Gradebook

Drop Lowest Grade in Gradebook

Move Grade Items and Categories in Gradebook

Delete Grade Items and Categories in Gradebook
