

How to Access Moodle when McNeese Portal is Down

Last Modified on 11/16/2020 11:52 am EST

As we continue to have issues with portal access, it is important to find other ways to access Moodle and McNeese Banner. Below are direct links to the actual pages. Login with the same credentials as you would with your McNeese portal for direct access with these sites.

Link straight to Moodle: moodle.mcneese.edu

Link to Banner information: <https://banprod.mcneese.edu/ssomanager/c/SSB>

Link to email:<https://office.com>

These links work for faculty and students.
